

National Association of Medical Spanish
Asociación Nacional de Español Médico

Third Medical Spanish Summit

When: Friday, November 4, 2022, 1pm-6pm (CST); Saturday, November 5, 2022, 9am-3:15pm (CST)

Where: Online via Zoom – link will be sent to all registered participants.

Why: Learn about and collaborate regarding Medical Spanish education on a national scale, and grow your network in a bilingual interdisciplinary environment!

How: Online registration will open in early July.

Questions? Contact info@namspanish.org

Overall Summit Objectives:

1. To integrate social justice into medical Spanish education
2. To enhance medical Spanish through interdisciplinary collaborations
3. To identify future directions in medical Spanish education

Thematic lines:

1. Medical Spanish **curricula** and learner competencies
2. Medical Spanish educational **research**
3. Medical Spanish proficiency **assessment**

Target audience: Audience may include current teachers, faculty, deans, course directors, and students, and may include individuals with diverse interdisciplinary backgrounds including physicians and other health professionals, interpreters and translators, language educators, linguists, and others. Conference will be bilingual, with some Spanish and some English presentations.

Target language: English and Spanish are welcomed and encouraged! Feel free to use one or the other at any moment during this summit.

Accreditation:

All participants will receive a “Medical Spanish Summit Participant Certificate” for up to 6 learning hours.

All speakers will receive a “Medical Spanish Summit Speaker Certificate.”
